The Secretary Mrs. HIMANGI GAUTAM of SLFC then read proposal of fee. As per Agenda, the budget for the session 2021-22, 2022 -2023, 2023 -24, 2024-25 together for three years was submitted before the SLFC, by the school management and it was taken up for discussion. The details of the proposed budget along with relevant records and factors were submitted before the SLFC Members. The members very keenly examined all the relevant factors with regard to infrastructure, qualitative education, various facilities provided as per the web site of the school, education standard, the expenditure on administration and maintenance, salary components, reasonable amount for yearly increments, expenditure incurred on the students over total income of the school, facilities made available for students, reasonable revenue surplus for the purpose of development of education and expansion of the school and other factors. They could vividly understand that the loss incurred by the school during the pandemic period. Since the budget transparently showed about losses overall, during pandemic period, the members of SLFC were convinced that fee raise, hike in the coming sessions is absolute necessity and justified. Considering the pandemic financial constraints of the parents, Mr. Ashok Jangid suggested that instead of going for hike at one time a step up method could be followed in recovering. Teacher, Miss Megha Kalwar suggested that normally it is not possible to increase the fee every year. If the quality education is desired than the fee has to be increased same year.
All the member present agreed upon the teacher's suggestion and approved the same.

The SLFC members then directed the secretary of SLFC to communicate the details of the fee so approved in writing to the management forthwith.

As there were no other points to discuss, the meeting came to the close with proposing a vote of thanks

Secretary.
